### BEFORE THE ARIZONA CORPORATION COMMISSION

JIM IRVIN Commissioner - Chairman RENZ D. JENNINGS Commissioner CARL J. KUNASEK Commissioner

IN THE MATTER OF THE APPLICATION ) OF TRICO ELECTRIC COOPERATIVE INC. - FILING FOR AN EXTENSION OF TIME IN WHICH TO FILE ITS **UNBUNDLED SERVICE TARIFFS** 

DOCKET NO. E-01461A-97-0696

DECISION NO. 40583

ORDER Arizona Corporation Commission DOCKETED

JAN 1 4 1998

January 13 and 14, 1998 Phoenix, Arizona

Open Meeting

BY THE COMMISS ON:

## **FINDINGS OF FACT**

- On December 9, 1997, Trico Electric Cooperative, Inc. (Trico) submitted a 1. request for extension of time in which to file its unbundled tariffs as required by A.A.C. R14-2-1606.C. Staff has reviewed the request for extension.
- Affected utilities have known since December 26, 1996, that the subject filing(s) 2. were due at the end of 1997. There are twelve affected utilities, which include Arizona's investor-owned utilities as well as Arizona's electric cooperatives.
- The Retail Electric Competition Rules, A.A.C. R14-2-1601 et seq., contemplate 3. the need for a substantial amount of time to evaluate and conduct proceedings on a variety of filings of affected utilities prior to the start of retail electric competition on January 1, 1999. The need for adequate time is the reason why the rules require a December 31, 1997, filing date.
- Because all affected utilities will be filing unbundled tariffs, customer selection 4. plans, system benefits charge calculations, stranded cost calculations, and possibly standard offer tariffs, it is imperative that all affected utilities are strictly held to filing schedules.

27

28

- Failure to allow adequate time for proper evaluation, adequate public notice, and a reasonable review process could have an impact on the start of retail electric competition in Arizona.
- 6. Requiring prompt filing of required items would allow Staff, as well as other intervenors, adequate time for thoughtful and prudent review and processing of all filings.
- 7. If the Arizona Corporation Commission (Commission) were to grant the waivers as requested by one-half of the twelve affected utilities, the result would require the Commission to delay review of certain retail electric competition filings until later in 1998, precipitating scheduling difficulties.
- 8. Staff has recommended that the request for a waiver from the Rule be denied and that the applicant be ordered to provide the required filing immediately.
- 9. Further, Staff has recommended that if the filing is not made by January 30, 1998, that the Commission direct Staff to evaluate the circumstances behind the failure to file and make recommendations for specific sanctions to be imposed on the applicant if it believes that sanctions are warranted.

#### **CONCLUSIONS OF LAW**

- 1. Trico is an Arizona public service corporation within the meaning of Article XV, Section 2, of the Arizona Constitution.
- 2. The Commission has jurisdiction over Trico and over the subject matter of this docket.
- Staff's recommendations contained in Findings of Fact Nos. 8 and 9 are reasonable
   and should be adopted.

#### ORDER

THEREFORE, IT IS ORDERED that the request for a waiver is denied.

IT IS FURTHER ORDERED that Trico Electric Cooperative, Inc., shall file its unbundled tariffs immediately.

Decision No. 60583

IT IS FURTHER ORDERED that if the filing is not made on or before the close of business on February 13, 1998. Staff shall evaluate the circumstances behind the failure to file and make recommendations for specific sanctions to be imposed on the applicant if it believes that sanctions are warranted.

IT IS FURTHER ORDERED that this Decision shall become effective immediately.
